The diagram illustrates a custom keyboard layout with 60 keys, organized into two main sections. The left section includes keys for navigation (Up, Down, Left, Right, Tab), editing (Undo, Redo, Cut, Copy, Paste), and system functions (Reset, Brightness, Volume). The right section includes keys for navigation (Previous, Play, Next), editing (Undo, Redo, Cut, Copy, Paste), and system functions (Brightness, Volume). The layout is designed to be ergonomic and efficient for various tasks.
